My dear Mrs Mauley.

I too regret low prices for ball games but it is one of those things which just happen. I would be in position to use some newspaper publicity but must have it at once. You see I received your letter just a short while ago and should have rec'd it Saturday. The Afro American and the Journal and Guide are about equal here so far as circulation is concerned.

Thanking you much for your co-operation, and assuring you of immediate reply on the arrival of the placards.

Yours I remain,

Yours in sports -

W. A. Pete Wilder.
